Dear Parents

By now all parents should have received a formal invitation to join with your child’s class teacher to celebrate their many wonderful achievements during Term 1. These parent/teacher interviews provide an opportunity for your child’s class teacher to outline areas that they are performing well in and areas that require additional attention. Parental involvement in this process sends a very positive message to your child – you care for their education. I therefore strongly encourage you to complete the expression of interest and work with your child’s class teacher to ensure your child has every opportunity to achieve their full potential. If for any reason you are unable to find a suitable time please contact your child’s class teacher – I am confident they will find an alternative.

Investing for Success

From 2014 to 2017, the Australian Government has made available, an additional $794 million in Students First initiative funding to Queensland for State Schooling. From 2016 the funding will be built on the needs-based method to better direct funding to students and schools requiring the most support. All State Schools use Investing for Success funding to support students, particularly those most in need, to achieve improved outcomes at all levels of schooling.

At William Duncan State School this funding will be used to:

- Provide opportunities for teaching teams to join together to collaboratively plan, implement and assess the ‘Guaranteed’ curriculum and learning opportunities.
- Maximise the school’s coach and mentor capabilities by extending the school’s Master Teacher allocation. This officer will be responsible for contributing to building teacher literacy and numeracy capabilities.
- Provide opportunities for the targeted intervention / extension for students in the Early Phase of Learning e.g. Foundation Q: Read It Again (Oral Language Program) and the Speech Sounds Pics Programs.
- Support professional learning teams to enhance student engagement and performance.
- Build the literacy and numeracy capacity of our teaching staff by developing specific coaching and mentoring opportunities.

I look forward to sharing our progress throughout 2016 at our monthly Parents’ and Citizens’ Association Meetings. If you require additional information about how this initiative will enhance your child’s education please don’t hesitate to contact me.
School Attendance

As outlined in last week’s edition of our newsletter our school has adopted an attendance target for 2016 of 95%. The graph below indicates each year level’s current attendance performance. For your convenience these have been colour coded against our targets. Green fill indicates the year level’s performance is higher than our target. Blue fill indicates the year level is on track to achieve the target and the red indicator indicates that the year level is at risk of not achieving the targets.

Attendance is one of the most important performance measures in our school. Attending school not only provides opportunities for students to obtain essential literacy and numeracy skills, it truly sets children up for future success. The apparent attendance trend that is appearing above is of grave concern. Last week saw only one year level achieve the school’s target. On behalf of our teaching staff I sincerely thank the majority of parents who support our school in our quest to achieve our attendance targets. We all appreciate your support!

It is a legislative responsibility of each parent to ensure your child is in regular school attendance. Therefore over the next week I will commence issuing notices to the parents of those students who have a large number of absences. The intention of these notices it to raise our concerns with individual parents and seek to establish a formal partnership to address any problems. If you receive one of these letters and wish to obtain more information about what we can do together to support positive attendance please contact the school and arrange an appointment.

Parents’ and Citizens’ Annual General Meeting

The William Duncan State School’s Parents’ and Citizens’ Association’s meeting for the month of March will be conducted on Monday 21 March. We hope that prior to this monthly meeting the Association will conduct their Annual General Meeting. At this meeting all executive positions will be declared vacant and we will be again be looking for parents to volunteer their time to enhancing our school community. This meeting will take place in school’s Library. The meeting will commence at 3:15pm. All parents are cordially invited to attend.

Good Luck SchoolPlus

Over the past 15 months our school community has been working closely with Julie and her team from SchoolPlus to implement the highest quality outside school hours care program. By working closely together we have seen this initiative quickly grow to one of the best services on the Gold Coast. Over the next few days SchoolPlus will be visited by Kerry Bartlet from the Office of Early Childhood. Kerry will be visiting to conduct an audit on the service, their policies and procedures. I wish to acknowledge Julie for all of her hard work in preparing for this audit and sincerely thank her team for their ongoing high level of care our students enjoy before and after school. On behalf of our school community we wish them all the very best in this audit, we can’t wait to hear the great results.

School House Captain Presentation

Over the past few weeks our school has been seeking nominations from our Year 6 students to become a 2016 School House Captain. I was delighted and very impressed by the number of students who expressed an interest in performing this leadership position in our school. Students who had submitted a nomination form were then required to present a speech to their individual house teams. All of these speeches were outstanding and proved that we would have been extremely fortunate to have any of these students selected as a 2016 House Captains. I
acknowledge and thank all of these students for their nomination.

At our weekly assembly yesterday I was given the privilege to present the badges to our House Captains and their Vice Captains. I am extremely confident these 16 students will support and promote participation in all of our annual sporting events this year. I trust you will join with me in congratulating the following students for being selected as our 2016 Sporting House Captains.

Campbell – Captains: Keirly, Kaleb.

Vice Captains: Tiara, Taine.

Lachlan – Captains: Kayla, Tobi.

Vice Captains: Alison, Jack.
MacIntosh – Captains: Lila, Ryan

Vice Captains: Charlotte, Dylan.

Stewart – Captains: Zenaya, Noah.

Vice Captains: Georgia, Aiden.

Student Cards

Thank you to all the parents who have returned their child’s student cards. If you have misplaced this and need to make changes to your details please contact the school immediately so information can be updated.
World Surfing Reserve

Yesterday Kyal Sorensen (Prep) had the honour of being invited (with his dad) to be a guest at the official dedication ceremony, unveiling and opening of the new World Surfing Reserve on the Gold Coast at Point Danger headland. Kyal joined with dignitaries such as the Queensland Premier the Hon. Annastacia Palaszczuk, Gold Coast Mayor Tom Tate, 1978 World Surfing Champion Wayne ‘Rabbit’ Bartholomew and a sea of parliamentary, council and surfing community luminaries - led by World Surfing Reserve Chairman Andrew McKinnon, himself a former World Longboard Champion.

The Gold Coast is only the eighth place in the world to ever be recognised by the international governing body of the World Surfing Reserves, and this ceremony marked the celebration and success of over 30 years of community campaigning and tireless work by an enormous team of people to protect and recognise the Gold Coast’s world-
class waves, beaches and surfing culture - a campaign of which Kyal's dad was also part of. Kyal, who has just recently begun surfing himself, was the only primary school student in Queensland to be at the prestigious ceremony and enjoyed the busy morning - the chance be part of Gold Coast history.

Rabbit, who taught Kyal's dad to surf in the 1980s, is regarded as a worldwide surfing icon and Gold Coast legend. Rabbit was glad to see Kyal and use their meeting to highlight the importance of youth involvement in our surfing culture and future - sharing a moment where he pronounced to the crowd whilst pointing at Kyal, "This right here is what this World Surfing Reserve is all about!"

We acknowledged Kyal and his family for representing the wider Gold Coast community at this wonderful unveiling.
