

WDSS Uniform Buy-Back Policy

Due to administrative implications we do not offer a consignment service. We will however, purchase quality used WDSS uniforms in order to provide a cost effective solution to families not in a position to purchase new uniforms. Please note, there are exclusions to our buy back option and the uniform convenor will not approve clothing that is soiled. Each child is entitled to feel confident and well-presented whilst in class and at play.

1. No rips or tears
2. No red polos under size 10
3. No visibly marked clothing – some fading is ok

* The higher price represents clothing items that present 'as new'
